*British-made, sustainable*  
**OFFICE FURNITURE**

**UK-BASED  
OFFICE FURNITURE  
MANUFACTURER**  
*with four decades  
of experience*

**WELCOME**

A true UK  
(Yorkshire, to be precise)  
designer and manufacturer  
of sustainable office furniture.  
With nearly four decades of  
experience, we have thousands  
of products ranging from  
entry-level desking to  
design-led statement pieces  
for your workplace.

We're passionate about  
what we do, we care about  
the products we make and  
this is reflected in the quality  
of our furniture.

Paul, Managing Director

*We're family run*  
**AND TRUSTED**

## **MORE THAN JUST A FURNITURE MANUFACTURER**

At Hawk we have been crafting British-made office furniture since 1988. We pride ourselves on being so much more than a furniture manufacturer, with our customers purchasing not only design-led office furniture from us, but also quality, reliability and peace of mind.

### *British-made*

Our products are designed in-house and made at our facility on site in East Yorkshire. Woodwork, metal fabrication and even powder-coating is carried out on site with all raw materials sourced as locally as possible.

### *Flexible*

Efficient design and manufacturing processes mean that Hawk have the flexibility to offer a bespoke service. Our design team can create products based off architects drawings, images or even hand-drawn sketches.

### *Sustainable*

We're powered by solar energy and we use our waste board to heat our factory. As part of our pledge for a sustainable future we manufacture our screens from waste board, saving huge amounts of energy.

### *Design-led*

Product development is at the forefront of our brand and we have a dedicated team developing the latest trends for our office furniture. Our primary focus is to create designer furniture pieces without the price tag.

### *Built to last*

As part of the Hawk pledge to our customers, we want to bring quality products to market, and we work hard to develop staple pieces which will last for years to come.

### *Competitive*

Having complete control over the design and manufacturing process allows us to keep our margins down, and prices affordable to you.

### *Reliable*

As a family run business, we care about the products we make and this is reflected in the quality of our furniture. We take the hassle out of buying office furniture. Simply choose your designs and let us do the rest.

### *Quality Service*

At Hawk Furniture we are passionate about providing true quality service to our customers. We make to order within 2-3 weeks and deliver using our own vehicles with our own drivers who are experts in handling our products.

# OUR ENVIRONMENTAL COMMITMENT

## Responsible manufacturing

Our selection of raw materials and our manufacturing processes are under constant review to ensure we continue to operate in an environmentally responsible manner, including the use of recycled materials where possible. We endeavour to only source products from FSC® certified suppliers. FSC® Certified timber products are available on request. (LicenseHolder FSC® C199861).

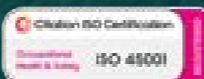

The mark of responsible forestry

Quality Management

Environmental Management

Health & Safety Management

## Proud to be British

Apart from a small amount of components that need to be imported (such as our accessories), a large proportion of our products are manufactured at our site in the heart of East Yorkshire.

Woodwork, metal fabrication and even powder-coating is carried out on site, with all raw materials sourced from local suppliers. This helps reduce our carbon footprint, reduce our dependency on third parties and provide a more reliable, ethical product – flying the flag for British manufacturing.

*“A true British manufacturer – fabricating all metal and wood work on site in the heart of East Yorkshire.”*

# OUR HISTORY

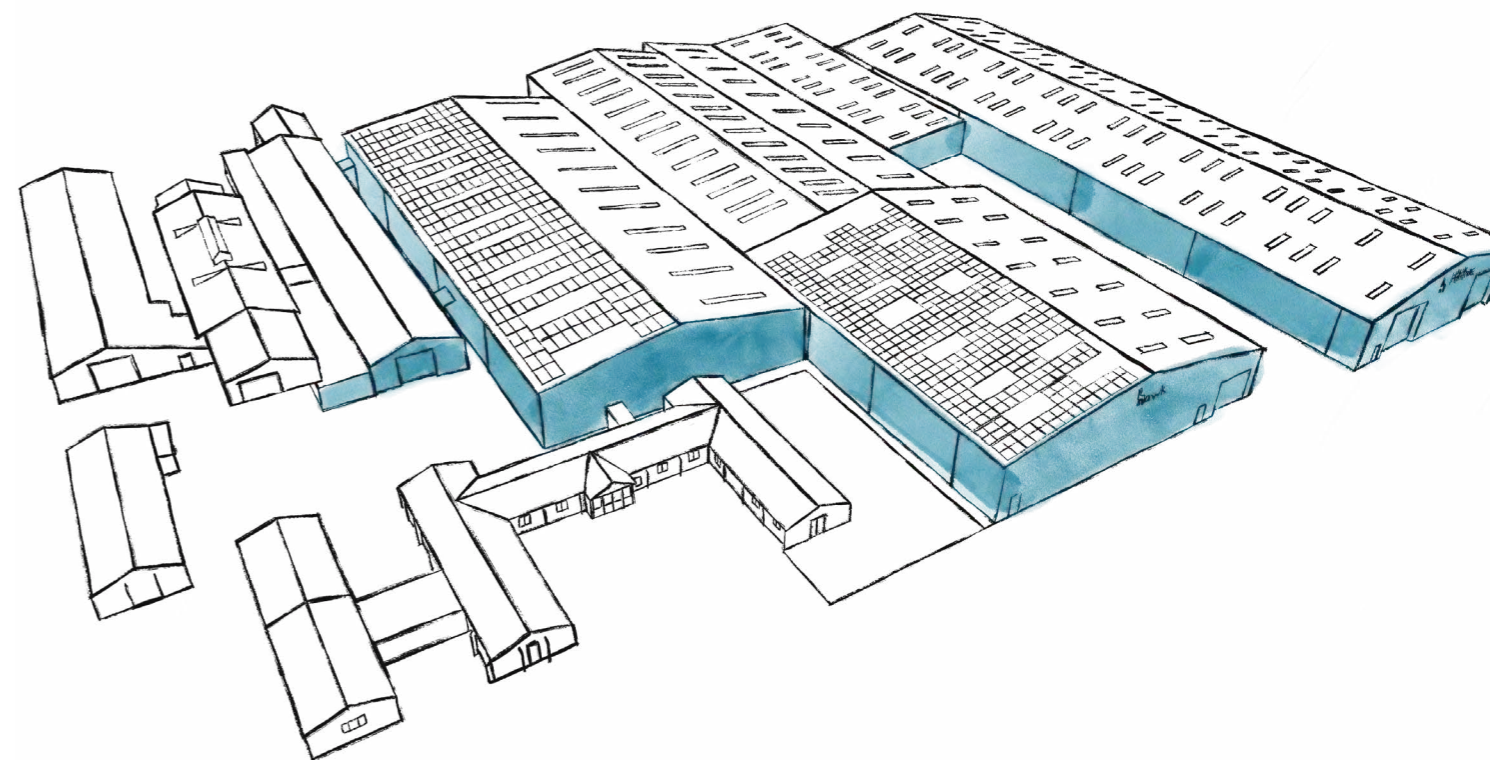

## In operation since 1988

In just one end of a disused WWII building on an old East Yorkshire airfield, Hawk began its operation making contract furniture in 1988.

Hawk Furniture is a family owned and operated business that has been steadily growing year after year, expanding its nationwide customer base and dealer network. Our ISO accredited manufacturing plant, based in the heart of East Yorkshire, produces

95% of all products in-house meaning very little is outsourced and our continual investment in the latest state of the art machinery ensures we are pushing the market forward with new products and trends.

The 10 acre site is home to our skilled, dedicated workforce. Currently residing with 125,000sq ft of factory space.

We set our standards high and our fastidious attention to detail is something we are very proud of at Hawk. We are so confident in the quality of our furniture that we guarantee each and every product that we manufacture, for a full 10 years.

As experts in MFC, whatever you need for your office is not a problem from a single bespoke unit to a full building fit-out we have a vast choice of ranges for all budgets. Along with an extensive range of contemporary office furniture, we also offer furniture for the educational and student accommodation sector.

# TRENDS

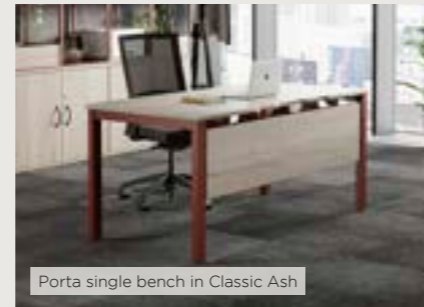

## *and inspiration*

### TREND 01 CONTEMPORARY CITY

The contemporary city office is evolving to accommodate the changing needs of workers and businesses alike. Flexibility is essential, with open floor plans and modular furniture allowing for adaptable spaces that can be easily reconfigured to suit different tasks and team sizes. Incorporating natural elements and pops of colour is increasingly common, creating an inviting work environment. The Contemporary city office trend prioritises versatility, well-being, and sustainability.

Our NEW Chestnut metal finish offers a pop of colour in an office space, shown here on our Porta single bench in Classic Ash. Also featured our Hairpin desk shown alongside the NEW Phoenix chair.

Porta single bench in Classic Ash

Hairpin desk with Phoenix chair

### TREND 02 MODERN INDUSTRIAL

Exposed brick office spaces have become increasingly popular in recent years. The raw, unfinished look of exposed brick adds character and warmth to any workspace, creating a sense of authenticity. These spaces often blend industrial elements with contemporary design, incorporating sleek furniture, ample natural light, and innovative technology. Whether in a converted warehouse or a newly constructed building, exposed brick office spaces offer a blend of nostalgia and modernity, creating an inspiring environment conducive to productivity and collaboration.

Our NEW Peach metal finish brings in a bold feel to complete the modern industrial office environment, shown alongside our Portland operator chair. The ideal environment for larger teams.

Force bench in White with Peach legs and Portland operator chair

### TREND 03 SCANDI STYLING

Scandi styling in an office environment embodies a seamless blend of functionality, simplicity, and natural elements, fostering an atmosphere of tranquillity and productivity. Clean lines, minimalist furniture, and a predominantly neutral colour palette complemented by soft pastels or muted tones, Scandi design promotes an uncluttered workspace encouraging concentration and creativity.

Elements of nature such as wood and plants are thoughtfully incorporated, infusing the space with warmth and a connection to the outdoors. Overall, Scandi styling in the office fosters a harmonious balance between aesthetics and functionality, promoting a conducive environment for work and collaboration.

Shown here are our Overlay Reception unit in Halifax Oak and White and our Trumpet Base meeting table with our NEW Miami visitor chair.

### TREND 04 BIOPHILIC DESIGN

Discover the transformative essence of biophilic design within the contemporary office space, where nature meets innovation. By seamlessly integrating natural elements, biophilic design nurtures an atmosphere of tranquillity, creativity, and well-being. Maximising access to natural light through expansive windows and open floor plans not only invigorates the workspace but also enhances mood, energy, and productivity.

Biophilic design transforms office and meeting spaces, cultivating a sense of community and creativity within the workplace.

The featured product here is our Brava Bench shown in Concrete with Deep Teal legs.

At Hawk, our DESKING COLLECTION offers a wide range of styles from the simple Hairpin desk to the Giorgio Wire Managed, there is an option for any office space.

All with a 10 year guarantee as standard and a choice of wood and metalwork finishes.

Choose from our selection of height adjustable desking options; Switch, Volt and Gravity.

Our Switch and Volt frames have been redeveloped to improve the specification and overall quality as well as reducing the prices to be amongst the most competitive in the UK.

The Switch has moved to a similar specification to the previous Volt model and the Volt will move from a single two stage motor to a dual three stage motor, taking it to almost Gravity spec levels, but at half the price.

Comparison	46
Switch 2.0	48
Volt 2.0	50
Volt J-Shape	50
Gravity	52

# HEIGHT ADJUSTABLE DESKING

# HEIGHT ADJUSTABLE COMPARISON

We don't always have the time to research things as much as we should, especially when several manufacturers are offering products that all look similar yet have huge price differences.

That is why we have produced a simple comparison chart that details the three ranges along with full specification of the main selling points that you need to know.

KEY:

## SWITCH 2.0

## VOLT 2.0

- Memory presets
- Soft-start/soft-stop

Great quality imported desk with five-year guarantee, digital controller featuring three memory presets and anti-collision as standard. **New for 2024 upgraded dual motor and USB charging port on controller.**

**Includes:**

- 3 stage dual motor
- LINAK mechanism with PIEZO patented anti-collision
- Digital controller with memory presets
- Lockable sliding tops
- Flip-down cable tray
- Lower cable tray and cable harness on double bench option.
- Ability to control desk via PC (sold separately)

\*Sold separately

HEIGHT ADJUSTABLE COLLECTION  
**SWITCH 2.0**

**2024  
UPGRADE**

## WHAT'S INCLUDED

- 2x cable ports
- 2 stage single motor
- 730-1170mm height adjustment
- 20mm/s movement
- Digital controller featuring 3 memory presets with automatic movement from the press of a button
- 3 year parts guarantee on electric components
- 10 years on wooden components
- 70kg weight capacity (minus top)

## FRAME COLOURS

**Please note:** Accepts standard screens with C clamp. Only small pedestals will fit desk at lowest height. Black bungs on all frames.

## ACCESSORIES

### WOODEN MODESTY PANEL

Screws to underside of top with wood screws. NB Modesty panel is 150mm smaller than the width and hangs down 50mm below desktop.

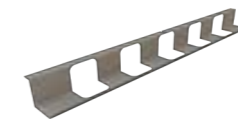

VWMP10	1000mm	£126
VWMP12	1200mm	£132
VWMP14	1400mm	£138
VWMP16	1600mm	£144
VWMP18	1800mm	£150

### METAL CABLE TRAY

Screws to underside of top with wood screws.

MCT12	1200mm	£45
MCT14	1400mm	£48
MCT16	1600mm	£53
MCT18	1800mm	£59

### SINGLE WIRE SNAKE

Floor to desktop - for single desks only.

<b>Available Widths</b>	1000-2000mm	1000-2000mm
<b>Leg Size</b>	38x38	60x40
<b>Lead Time</b>	10-14 working days	10-14 working days

This clever yet minimal design provides a cost effective solution to traditional bench desking. Central two stage scallop supplied as standard. Accepts standard screens fitted with C clamps. Tops can either sit flush or apart by up to 15mm (to accept C clamp).

A variation of the Brava bench incorporating a 60x40mm steel leg. Fixed non-floating tops, supplied as standard without cable trays. Desk has 10mm gap between desktops for fixing screens (accepts anything with a C clamp). Central two stage scallop supplied as standard.

<b>Positioning</b>	Mid Range	Mid-Premium	Premium
<b>Warranty</b>	10 years	10 years	10 years
<b>Available Shapes</b>	Rectangular	Rectangular	Rectangular
<b>Available Desk Depth</b>	600mm & 800mm	600mm & 800mm	600mm & 800mm*
<b>Available Widths</b>	1000-2000mm	1000-2000mm	1000-2000mm
<b>Leg Size</b>	50x50	50x50	100x100
<b>Lead Time</b>	10-14 working days	10-14 working days	10-14 working days

Creating flexibility and large uninterrupted work areas, this bench works perfectly for bigger teams or stand alone. Additional cross members create the illusion of floating tops. Available with either goalpost or A frame leg shape for no additional cost. 600D benches will only take small mobile pedestals. \*Single benches do not include cable trays.

Possibly the strongest and most versatile bench system on the market, perfect for multiple-monitor workstations. The complete package equipped with cable trays, tool bar screens and flipup access. Single benches are supplied with a metal modesty panel. Single add-ons incorporate a wire-managed leg. \*Modesty panel included on single desks only.

A high end bench system with absolutely no compromise. Thick and chunky frames incorporating strength and improved aesthetics. Only available with small mobile pedestals. Only accepts Infinite screens. \*Modesty panel included on single desks only. \*600mm only available as a double frame.

The inside of our screens are made from off-cuts of our waste board. Not only does this help keep our costs competitive but reduces waste and lowers our carbon footprint.

When specifying screens for your workplace, whether you're seeking a small budget-friendly screen or a larger premium divider, we offer a comprehensive range of products tailored to meet every requirement.

Choice of Oval, D-End or Boat-Shaped. Please replace \_ in code with top shape letter.

**Please note:** 2800mm, 3000mm, 3200mm and 3400mm tables will be supplied with two tops, one leg frame and two supporting bars. 3600mm-4000mm tables will be supplied with two tops, two leg frames and two pairs of fish plates. \*Standard two-pieces. Grain on two-piece tables may not line up. For cable access modules please contact sales office for price as double mod panel is needed.

**Please note:** 2800mm, 3000mm, 3200mm and 3400mm tables will be supplied with two tops, one leg frame and two supporting bars. 3600mm-4000mm tables will be supplied with two tops, two leg frames and two pairs of fish plates. \*Standard two-pieces. Grain on two-piece tables may not line up. For cable access modules please contact sales office for price as double mod panel is needed.

## CUT-OUTS FOR POWER MODULES

Should you require these tables with power modules in, please contact us as a table can be made with a double modesty panel to create the void needed by the module.

As power modules come in a variety of sizes, these tables must be drawn and priced accordingly so please do not order using the standard code.

## BOARDROOM INLAYS

•• Denotes table can be supplied with 1x 800W x 200D inlay.

••• Denotes table can be supplied with 2x 800W x 200D inlays.

Please suffix boardroom table code with /I. See page 110 for more information

**Please note:** Table will be supplied with double modesty panel if ordered with inlay.

TABLE COLLECTION

# BOARDROOM INLAY

## LIFT OUT TILES FOR BOARDROOM TABLES

Code		Price
/1	•	£668
/12	••	£1,336

Inlays are 800W x 200D and are supplied with two removable tiles

Tiles are shaped on ends leaving space for cables to be routed when tiles are placed back in table

Cost includes tiles AND cable trough. Trough is 1200W, 150H (internal) and is a three-sided box with cable ports in the base and open at the ends

### HOW TO ORDER

Suffix boardroom table code with /1 and add £668 if table has one inlay (shown in the table with just one '•'), or 2x £668 (£1,336) if table has two inlays (shown in the table as '••').

eg GGRBT4016/1 total cost £2,168 (table cost band 1) + £1,336 (two inlays) = £3,504

**Please note** - while every attempt is made to line up the grain on inlays to the rest of the table, this is not always possible.

RECEPTION COLLECTION

# RECEPTION

Extend a stylish welcome to your visitors and make their first impressions count. Our versatile reception concept provides all the essentials, from standalone units to comprehensive modular solutions, available in a variety of sizes for a perfect fit.

## FULLY MODULAR

Our reception units sit next to each other and simply screw together. Cut-back legs allow for full movement.

Offering both sleek and sophisticated options or something bold and attention-grabbing, the Hawk reception offers a choice built to withstand the test of time.

## DDA COMPLIANT

Ensure clients cater for those with DDA requirements, which is an option on all reception base units.

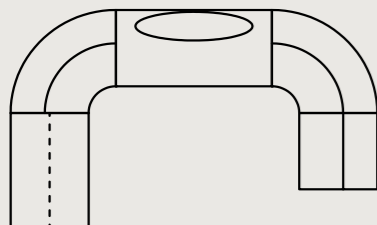

## NEW DESIGNS

As well as modular units, there are two new ranges with overlays and slats as seen in the image on the left.

Modular	175
Overlay	177
Slatted	179

# RECEPTION

*When ordering, please change product code to dictate which end panels will be recessed*

**CN** - No cut back panels

**CL** - Left cut back panel

**CB** - Both cut back panels

**CR** - Right cut back panel

Includes 2.6m HDMI & RJ45 Cat 6 cables  
128mm hole cut-out required in desktop  
Includes 2m mains cable

# BESPOKE *furniture*

*One of our biggest strengths is the ability to manufacture bespoke products.*

When it comes to creating tailor-made MFC furniture, we have a streamlined process including three simple stages – consultation, design, and manufacturing.

Contact us today and send us your sketches or photos of something you like and we will bring your ideas to life.

## OUR PROCESS

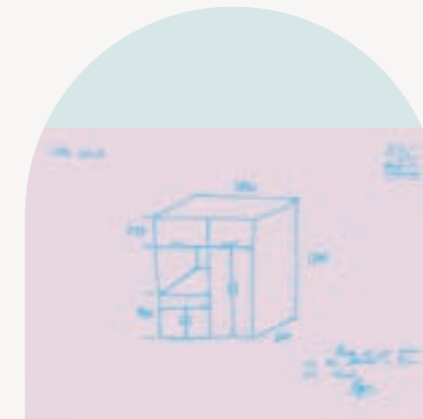

### CONSULTATION

Customers will send a sketch or plans of a product they require making, or alternatively are offered guidance on what is possible to solve a problem that isn't achievable using standard products.

### FINISHED PRODUCT

When the 3D plans have been signed off by the client, production gets underway and our in-house programmers develop the product to the specified dimensions. All bespoke items are delivered assembled (within delivery size restrictions) so you don't need to worry about figuring how it goes together!

### DESIGN

Working from the initial brief, our CAD team will work with the client and model the bespoke product in AutoCAD, showing all dimensions and a 3D image. This ensures the client receives exactly what is required, with no unexpected surprises.

Elevate your workspace with our brand new range of seating, combining a mix of both home-made and Italian-designed pieces to cater for a range of budgets. These stylish chairs are available in a range of vibrant colours all at an affordable price.

Crafted with attention to detail and durability in mind, our seating promises reliability and comfort for long hours at work. Experience the perfect balance of quality and value, and transform your office into a place of comfort and functionality.

## BAND 1

## BAND 2

## BAND 3

(HO) Halifax Oak

# METAL FINISHES

Suffix code with /M and metal finish.

**IMPORTANT:** MFC and Metal Finishes shown here are for illustration purposes only. Please do not try to colour match. If trying to match against existing colours please call and ask for a sample card to be posted. Different coloured metalwork are available, prices provided on application. Furniture that requires bungs (e.g. Solo) will be supplied with black inserts, except Giorgio which has a choice of Black, White, Grey or Silver.

# 40 YEARS *of exceptional furniture*

## IN-HOUSE MANUFACTURING

98% of our products are manufactured in-house meaning we have almost complete control over the manufacturing process. This ensures that the quality of our products and our reliability are never compromised.

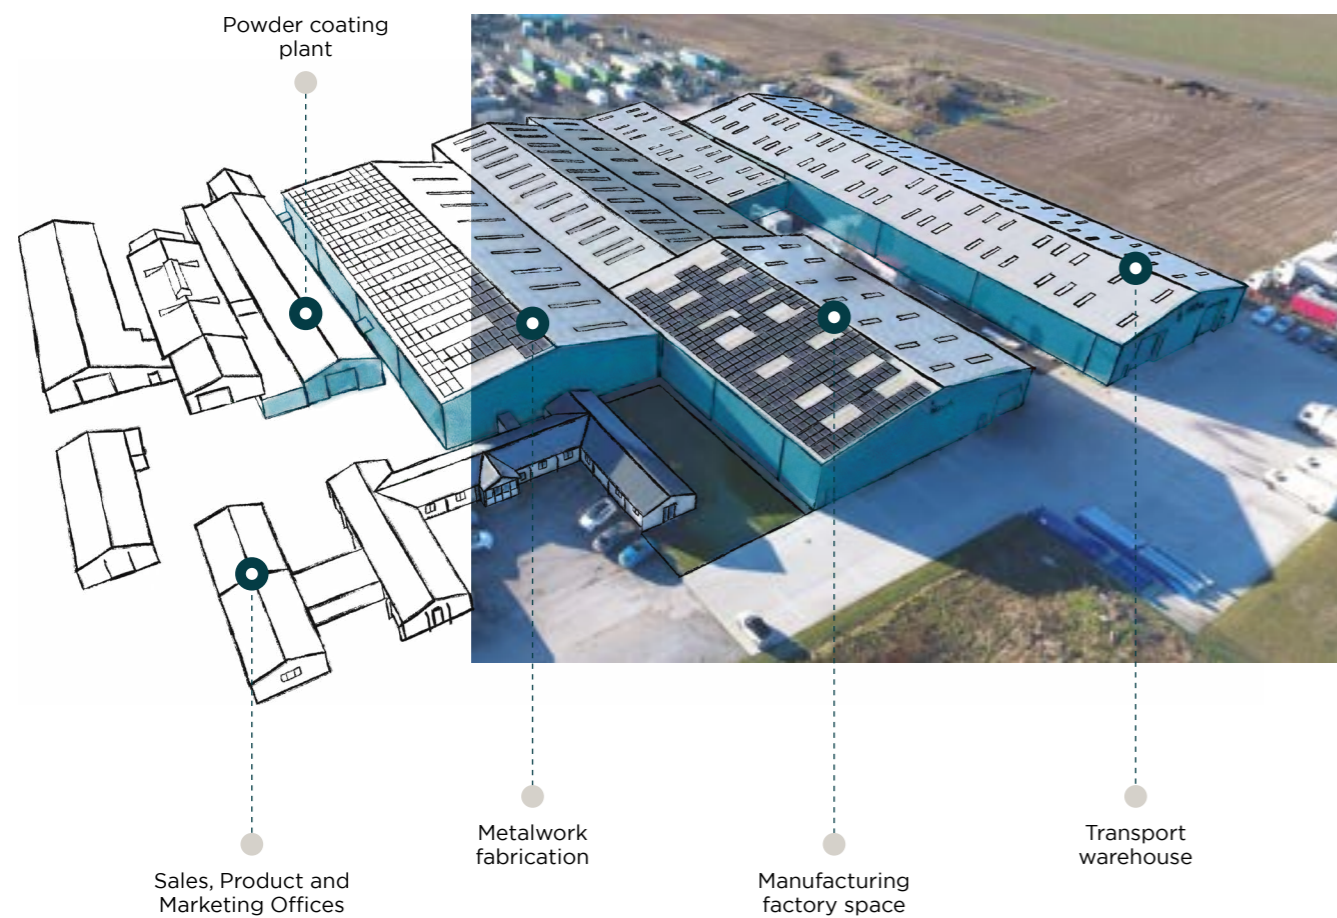

## LOCALLY-SOURCED MATERIALS

Raw materials are sourced as locally as possible, and this means from Yorkshire - not just within the UK.

## SUSTAINABLE & RECYCLABLE

99% of the materials we use are fully-recyclable. We care about what happens to our furniture at the end of its life and we believe this is just as important as what happens at the beginning.

## TERMS AND CONDITIONS

All orders are accepted subject to the following terms and conditions.

### Definitions

"The Company" means Hawk Furniture Ltd. "The Buyer" means the Account Applicant or person who buys or agrees to buy Goods from the Company.

### Prices

The price shall be that on The Company's current price list, or if applicable the price contained in the buyer's quotation. Should a product's price change between receipt of order and despatch the buyer will be notified and given the opportunity to cancel the order and receive a full refund. All prices are exclusive of VAT which will be charged at the rate ruling at the time of despatch.

### Delivery

Whilst every reasonable effort shall be made to adhere to estimated delivery dates, time of delivery shall not be of the essence and the company shall not be liable for any losses, costs, damages or expenses incurred by the buyer or any person or company arising directly or indirectly out of any failure to meet any estimated delivery date. All deliveries must be signed for and appropriately dated. Notification of any shortages/damages must be made in writing to The Company within 5 working days of receipt of goods.

### Cancellation and Returns

Orders may be cancelled within 24 hours of order placement with no charge. Prior to manufacture and in The Company's sole discretion, standard products may be cancelled subject to a 25% administration charge. After manufacturing has commenced, orders will be charged in full. Any variations of this clause will need to be confirmed

in writing by The Company. Invoiced and delivered orders may not be returned.

### Payment and Credit Facilities

Accounts in respect of goods supplied are due for payment by the buyer, no later than the last day of the month following month of delivery, unless otherwise agreed by the company. In the event of late payment the company reserves the right at any time and without prior notice to suspend production/despatch of goods to the buyer. Interest will be charged on all overdue accounts at the rate of 3% per month above the Bank of England base rate for the time being in force, calculated from the due date on a daily basis to the date of payment. All credit facilities will cease should it be necessary to commence legal action for the recovery of a debt. We reserve the right to withdraw credit facilities at any time and without prior notice should it be deemed necessary.

### Ownership and Risk

Title of the goods shall remain the sole and absolute property of The Company until such time as the buyer has paid in whole for the full amount of the goods. Notwithstanding that the goods remain the property of The Company, the buyer may sell or use the goods in such a manner as to pass to a third party a valid title of the goods and shall hold the proceeds of such sale on trust for The Company. Risk of loss or damage to the goods shall pass to the buyer at time of delivery. In the instance of goods being lost or damaged after delivery where ownership has yet to pass, the buyer will indemnify the company against such loss/damage. Due to our continued development program, we reserve the right to modify or alter designs without prior notice.
